

Constructo 102

Actually the Constructo 102 is the Constructo 100 but it has been given a new coat.

Product Description

Actually the Constructo 102 is the Constructo 100 but it has been given a new coat. That new coat expresses itself in 10% more capacity that this Constructo 102 waste bin has to offer. Plus, the design is characterised by the round shape and all bolts and hinges are invisible.
